Table with 3 columns: Code, Name, and Status. It lists various municipal and regional infrastructure objects, including administrative buildings, educational institutions, cultural centers, and industrial facilities. The table is organized into sections for different types of infrastructure and their functional zones.

Примечания:
- данному плану необходимо рассматривать совместно с текстовыми и графическими материалами раздела «Образование»;
- расположение объектов инженерной инфраструктуры показано ориентировочно и должно уточняться на последующих стадиях проектирования;

Table with 3 columns: № п/п, Наименование, and Статус. It provides a detailed list of infrastructure objects, including administrative buildings, educational institutions, and cultural centers, with their respective status and location details.
